

Chertsey School Bus Contract

When I get on the bus I will . . .

- ★ wear my bus vest while I wait for the bus
- ★ wait in the designated area, well back from the road
- ★ wait until the bus has stopped
- ★ walk single file to the bus, letting younger students go first
- ★ be patient and go up the stairs one at a time without pushing
- ★ carry my bag so it doesn't catch in the door
- ★ find my seat and sit down straight away
- ★ put my bag and anything else I am carrying on my lap or under the seat in front of me

When I am on the bus I will . . .

- ★ sit down and stay in my seat until the bus has stopped at my stop
- ★ keep behind the driver at all times
- ★ keep my voice low so that the driver can concentrate
- ★ keep still so that the driver is not distracted
- ★ keep the inside of the bus clean and damage free
- ★ remember to follow the Chertsey School rules of respecting others and keeping hands off
- ★ listen to the driver and follow his/her instructions

When I get off the bus I will . . .

- ★ carry my bag so it doesn't catch in the door
- ★ be patient and go down the stairs one at a time without pushing
- ★ wait on the grass verge or footpath well back from the road until the bus has gone and I can see clearly
- ★ remember to use the crossing rules and cross the road when I have been told that it is safe by an adult that I know

I understand what behaviour is expected of me when I travel on the school bus and I understand the consequences if I do not follow bus rules.
