Digital Citizenship

When it comes to digital technologies at Chertsey School please;

- **Be empowered** - do awesome things. Share with us your ideas and what you can do. Amaze us!

- **Be nice** - help foster a school community that is respectful and kind

- **Be smart and be safe** - if you are uncertain, talk to us

- **Be careful and be gentle** - our resources are limited. Help us take care of our devices and network.

Remember to talk with your teacher, mum, dad and people at home about what it means to be a digital citizen.

If you are willing to be a digital citizen please sign your name below and return it to school.

When you return your slip you will get your Digital Citizen poster to keep at home.
