# CHERTSEY SCHOOL

## Welcome to Week 4!

At Chertsey school we feel very lucky to have had such a successful start to the year. Although we have had a few illnesses, we are very fortunate that we are not experiencing the devastation that our fellow kiwis are going through in the North Island. It is great that our small school can contribute as we combine with the other schools in Canterbury to donate towards the schools affected by Cyclone Gabrielle. Thank you for your contribution today.

Nga mihi,  
Claire

Rare Disease Day is a day to raise awareness for unknown or overlooked illnesses. At Chertsey School we are going to wear some stand out accessories to show that its OK to be different and that people with rare diseases need just as much if not more support to help with their challenges. So come to school in your brightest hat, flashing shoes, oversized sunnies, or whatever you have and lets show our support together.
